CELEBRATE ABILITY RESPITE EVENING

C.A.R.E night is a special needs adult ministry that takes place at Kaufman Assembly. Every 3 months, Bee Happy provides a respite opportunity for families and caregivers. Participants in C.A.R.E night spend the evening crafting, singing, playing games, and spending time in fellowship with other special needs adults. This night is open to the entire special needs community! You only need to RSVP to participate.

This event was created with both special needs adults and their caregivers in mind. We understand that all adults of all abilities need an opportunity to focus on their own needs. Caregivers are given a few hours to participate in their own form of self-care, while C.A.R.E participants are offered a chance to socialize and fellowship with their peers.

NIGHT TO SHINE

Bee Happy is so excited to announce that we are partnering with Kaufman Church of Christ and Kaufman Assembly to host the Tim Tebow Night to Shine, on February 9, 2024.

Night to Shine is a a prom night experience for individuals with special needs, aged 14 and above. Some activities included are a red carpet entrance, limousine rides, dancing, karaoke, gifts, a catered dinner, a Respite Room for parents and caregivers, a crowning ceremony where every honored guest will receive a crown or tiara, and more.

We would like to thank the Crandall Student Council and the Kaufman Church of Christ for hosting a free boutique shopping experience for all kings and queens!
