

Honeycomb Headquarters

Spring 2023, Issue 1

www.beehappydayhab.org

Highlights

- Bee Happy
- Reimagine
- Schedule of Events
- Meet the Hive

The Vision

In addition to the day program service, Bee Happy will be home to The Hive Creamery, an ice cream shop that will employ its Busy Bees. The future opening date will be 2023 or 2024 and will be located that currently houses Bee Happy.

Bee Happy is also looking to expand the day program into other areas of the county or to expand into a bigger building, in order to provide for more Busy Bees in Kaufman and surrounding counties.

What is Bee Happy?

Bee-Happy Day Program assists adults with developmental disabilities in reaching their potential through hands on activities that challenge and empower them.

Bee-Happy is non-profit, affordable, faith-based, day habilitation program that provides a variety of services for individuals with intellectual disabilities.

Reimagine

Seeing the Beauty.
Embracing the Journey.
Sharing the Load.

Reimagine offers special needs parent & caregivers of birth-21yrs of age weekly meetings during the school year.

Reimagine Parent Support is under the Bee Happy ministry serving special needs families and partners with Still Waters and Kaufman's First Baptist Church.

Reimagine runs with the school calendar and meets every Monday from 6pm to 8pm with dinner offered.

**SEEING THE BEAUTY.
EMBRACING THE
JOURNEY.
SHARING THE LOAD.**

**REIMAGINE OFFERS SPECIAL NEEDS
PARENT & CAREGIVERS
OF BIRTH-21YRS
WEEKLY SUPPORT MEETINGS
DURING THE SCHOOL YEAR**

Stay tuned

Reimagine hopes to eventually offer a respite day once a month, allowing parents and caregivers a day to go do what is needed, even if the needed thing is a nap! They also hope to expand the support program to include support for families of special needs adults in the fall, giving younger and older families the opportunity to form a mentoring relationship for support and encouragement.
